Important Guidelines for Design-Your-Own Ads. Please Read Carefully.

All new ads **must** be submitted in **PDF only** via email to hstalents@gmail.com. You may design your own ad with images and text. All text and images **must fit** within the size parameters for each ad size. HST **cannot** make corrections to ads created by families; ads will print as-is. Please check for spelling and make sure font size is adequate and legible. Ads need to be saved in PDF format at 300 DPI (Dots Per Inch) for best printing. Ads should be in portrait orientation, NOT landscape. Ads will be printed in black and white.
